Remarkable Vigor, New York, Jun 2.—The beginning the new year in the stock market reagnt confidence and strength collish operations were conducted with more vim than has been witnessed for

some time. Prices were advanced in some time. Prices were advanced in every quarter of the list. A significant feature of the day was the increased votates of outside tusiness. Buying through commission houses was more at the day's transactions rose unsiderably above the recent aver-

age.

Several factors operated in favor of higher prices. One of the most important was the abnormal case of money rates. The money market showed no important coange from last (week's many rates and there was no frace of the strained conditions such as are frequent at the beginning of the year.
